Journey to Freedom: Experience the Underground Railroad in Iowa

In September, 2008, groups of visitors will imagine that they are Freedom Seekers, traveling through Iowa's Underground Railroad. Guides will take groups through trails at Wickiup Outdoor Learning Center at night, meeting costumed actors who will portray other Freedom Seekers, slave catchers and bounty hunters, law enforcement officers, farmers and more. Will your group make it to freedom or be captured and returned to your owners? Don't miss this event!

We have been approved for a grant of \$3023 from the Witwer Fund-Linn Co. Bd. of Supervisors to fund this program. Now **we need actors** to bring this story to life for our visitors. We are also looking for **costumes and props!** If you can help, please contact Education Director, Erin Thomas at 319-862-2101 x22 or education@blackiowa.org.
